

Schooling aid system

Page number: 1470 Update date: April

What is the school attendance support system?

This is a system that provides assistance with the cost of school lunches and school supplies for families who have difficulty paying the necessary expenses for studying at elementary schools and junior high schools in the city due to financial reasons.

People eligible for assistance (main items)

1. People whose welfare has been abolished or suspended
2. Those who received municipal tax exemption or reduction/exemption
3. Those receiving child rearing allowance (not child allowance)
4. Those whose total household income in the previous year is less than the standard amount set by the city.

Note: The approximate standard amount is listed in "About application for tuition assistance in 2020."

Assistance details
